Morris Solutions

Lower the Wildcat Rewards minimum FICO to 650 and add 51 customers, keeping the debt-to-income cap.

Prepared for Sam Okafor, Chief Credit Officer, Bear Down Bank

+51 customers (+12.5%)
407 to 458

Debt load rises as the minimum falls: below 650, the added customers carry heavier debt

Group	Customers	Average Debt-to-Income
Eligible today (FICO 670+)	407	1.05
Added at 650 (FICO 650-669)	51	1.23
Would add at 630 (FICO 630-649)	40	1.37

Eligible = no Bear Down credit card, FICO at or above the minimum, and DTI of 2.0 or less, (2,000 customers, 743 without a Bear Down credit card, 540 of those at or under the 2.0 cap), DTI = total debt ÷ yearly income

Prepared for Data Visualization Course, University of Arizona. Course scenario using a provided dataset
